TAX || AUDIT

by BergankDv

AT YOUR SERVICE

Because of the complexity of the sales tax code, there are many scenarios in which an organization could be missing exemptions that they are entitled to!

Simple errors in compliance can result in hundreds of thousands of dollars in additional costs.

DON'T BE THAT ORGANIZATION

HAVE YOU EVER HAD A SALES AND USE TAX COMPLIANCE REVIEW DONE AT YOUR COMPANY?

BergankDv will review the following areas to make sure your company receives the benefits you are entitled to.

COMPLIANCE REVIEW

SALES TAX FILING

AUDIT DEFENSE

ENERGY STUDY

PROVEN PROCESS

Our service offering is known for its robust and proven process and includes a discovery component as well as a deep dive into accounts payable and receivable to reveal both exposure and opportunities you should be considering.

The results include additional opportunities for refunds on overpaid tax and we'll leave you with best practices to be used moving forward.
